

Dear Prospective Sponsor,

Thank you for your interest in The Hoover Baseball Club. We are working diligently to prepare boys in the Hoover community for the next level in their lives, both on and off the baseball field. We appreciate your willingness to support us in our efforts.

Our organization is founded on Christian principles and strong ethical beliefs. Our leaders work together in training our family members to be active participants in all aspects of their child's life. We encourage quality interaction with our teams and their coaches in order to improve the communication efforts within our communities and schools. Our goals include providing the high school with grounded athletes, trained both physically and mentally, and prepared to compete at any level.

As with most volunteer organizations, the majority of our financial support originates from fundraising programs. Our players and their families work hard throughout the year in order to provide the highest quality training and baseball experience in the Southeast. We instill in each player the importance of working as a team to continue building an elite organization that is recognized statewide.

We hope that you will consider your sponsorship of our organization as an opportunity to assist in our efforts as we continue to grow. We look forward to representing you with the highest quality of talent, attitude and sportsmanship.

Sincerely,

Rookie Gage  
President  
Player and Coach Development
